ALMA MATER

To Bucyrus High we raise our song,
Oh school we love so well,
The name that sets our hearts aflame,
And makes our voices ring,
To Bucyrus High, our dear old High,
In praise our voices swell,
The scenes of happy High School days,
The Home we love so well.

Oh morning glow which gilds the east,
Oh sun which shines at noon,
Oh stars which bloom at eventide,
Oh radiant, glowing moon,
Look from the pathless, azure dome,
And bless us from above,
Our high school halls and high school walls,
The B. H. S. we love.

When from the fold we far shall stray,
With souls no longer young,
We'll ne'er forget our high school days,
Those happy days gone by.
And when our steps have feeble grown
Our journey almost done,
E'en then with fleeting breath we'll praise
Our dear Bucyrus High.

IN MEMORY OF
LT. JAMES BARRETT

Class of 1933
Instructor at B. H. S., 1937-1941
U. S. Navy, 1941 —

God of our fathers, known of old,
Lord of our far-flung battle line,
Beneath whose awful hand we hold
Dominion over palm and pine—
Lord God of Hosts, be with us yet,
Lest we forget—lest we forget!

The tumult and the shouting dies;
The captains and kings depart;
Still stands Thine ancient sacrifice,
An humble and a contrite heart.
Lord God of Hosts, be with us yet,
Lest we forget—lest we forget!

For heathen heart that puts her trust
In reeking tube and iron shard,
All valiant dust that builds on dust,
And guarding calls not Thee to guard,
For frantic boast and foolish word—
Thy mercy on Thy people, Lord!

D. C. Baer

SUPERINTENDENT OF SCHOOLS

Mr. Baer is a native of Lucas, Ohio. He graduated from Heidelberg College, having majored in Mathematics and Science. In addition he has done graduate work at Ohio State. He came to B. H. S. in 1918 to teach Chemistry and Physics, and for about three years thereafter he assisted the Varsity Football Team in the capacity of a volunteer coach.

In 1924 Mr. Baer was appointed Principal of the High School, a position he filled with distinction until 1935, in which year he was elected Superintendent of Schools. The popularity and good will he attained as Principal has continued and deepened during these years into a marked respect for his fairness, his clarity of judgment, and his desire to be of service to the students of B. H. S. and to the community.

We, the Senior Class of 1946, take this opportunity, Mr. Baer, to give you our vote of confidence. It is our hope that the years to come will be your best, our best, and the best at B. H. S.

EARL R. SEIDNER

HIGH SCHOOL PRINCIPAL

Mr. Seidner came to B. H. S. in 1944, from the Sandusky, Ohio, High School. He holds an A.B. degree from Denison, in Political Science; and an A.M. degree from Ohio State, in School Administration. In addition, during the past ten years he taught Principles of Education and Methods in the Social Studies at three summer sessions at Denison. Prior to his arrival in Bucyrus, Mr. Seidner accumulated fifteen years' service in the Ohio schools; for five years he taught American history and Civics, English and Speech, at the Toronto (Ohio) High School; and for the next ten years he served the Sandusky High School, nine years as a teacher of Sociology and Civics, and his last year there as Dean of Boys.

Mr. Seidner's interest in educational and community matters is evidenced by the many organizations to which he contributes time and attention. He is a member of the Lambda Chi Alpha fraternity, the N. E. A., and O. E. A., the National and the Ohio Associations of High School Principals, Rotary International, the Bucyrus Y. M. C. A., and, the Boy Scouts of America—in the capacity of a District Committee Member—Harding Area Council.

Mr. Seidner's years as Principal of B. H. S. will long be remembered for the ideas and the reforms he has introduced.

SENIOR CLASS HISTORY

In September, 1940, there entered into B. H. S. a group of kids quite unaware of the things which their high school careers were to bring. This was the year when we had to get accustomed to the things around the building. Learning to walk on the right side of the corridor and to get to class on time when we could find the room, were a few of our numerous problems.

Then after much success with our first year we went on proudly to the eighth. By this year we were "old hands," to the high school life.

Next came a quite important step—Freshmen. This year we organized with Mrs. Strawn as advisor and Ralph Hubble as president. We also had our first class party at the school.

One more step up our high school ladder. The idea of being a Sophomore was quite a pleasing one to all of us. This year we chose Mrs. Carlo as advisor and John Travis as president. Our list of social events widened as the girls could now belong to G. R. and G. A. A. This year meant formal parties if one had the nerve to ask a fellow to go. Also some of our "mellow-toned" students were taken into the Glee Club.

Next came an entirely new thrill. We were now just one step from the top—Juniors. Walking in the center entrance instead of side doors made us feel almost on an equal level with the Seniors. Now we mingled with them in clubs also. There was Boosters for our girl geniuses (?) and Senior Hi-Y for the boys. As our advisor we chose Miss Hibarger and as officers: Clair Geiger, president; Rolland Campbell, vice president; Vera Mead, secretary; and Norma McCormick, treasurer. With the willing work of these and of the entire class our Junior-Senior Reception was a great success.

Seniors at last! Now we have finally taken that final step. Our busiest but happiest year is now coming to a close. The thrill of having top place in our activities plus the front seats in the auditorium have added to our honor. The year has sped swiftly by with all our work to be done plus ordering of name cards and invitations, taking of pictures, Baccalaureate and Commencement, and Junior-Senior Reception. We also gave a class play, "Come Out of the Kitchen." As advisor this year we again chose Miss Hibarger and as officers: James Trautman, president; Maurice Pettit, vice president; Betty Williams, secretary; and Marion Pettit, treasurer.

Now as we are leaving B. H. S. our hope is that other classes may have as good a time with their high school life as we had and that our good fortune may be lasting.

BETTY WILLIAMS, Secretary.

SENIOR CLASS WILL OF 1946

We the Seniors, (that's what they call us), leave to you, the Juniors, our rank, "Seniors." Ah, yes, what a name! We also leave to you spaces on desks where you too can sign your name and be remembered throughout the years to come.

We leave to you the smiling faces of the teachers who tried to teach us. They put up a good fight, too.

The football and basketball teams are all yours. Do better than we did, please. And last, but not least, dear Juniors, we want to leave to you those three happy, hard-working janitors who made life pleasant for us as we wandered through the halls of B. H. S.

To the Sophomores we leave the Juniors. They will be your new upper classmen. Treat them with kindness and maybe someday one of them will buy you a lollypop. We also leave to your the beautiful rhythmic sounds of the typewriters of 302. We leave to you a share of the responsibility that once was ours.

Freshmen, you are growing up, so we leave you our wolf-calls . . . "male and female." Use them wisely. We also leave to you the cold, cold mornings and that one dreadful thought, getting up. Also to you, dear Freshmen, we leave those wonderful inventions, "Exams." We leave to you memories of us Seniors strutting around as if we owned the place.

Seventh and Eighth graders, the upperclasses have just about hogged the spotlight, but to you we leave the downstairs seats in the auditorium. We leave to you this thought: "Some day we too will be Seniors." We leave you in the care of a couple of good men, Supt. D. C. Baer and Principal Earle R. Seidner. Treat them with respect; they deserve it.

Signed by the Senior Class of 1946.

SENIOR CLASS PROPHECY

You will never believe it, but I'm here to say,
Twenty-five years have past since that day
That we were so scared to go out in the world,
And face all the dangers with flags unfurled.

But as I journey from city to city,
I find that it really was such a pity
To waste all that worrying, fretting and time,
When everyone really is doing just fine.

They all seem as young as they can be,
But then why not we're 'bout forty-three.
Some, I haven't seen for ages past,
So what they're doing will be found in these pages — —

My plane needs gas, so I'll have to stop
At **Helen Stull's** station for fuel and pop.
Lunches are served there by **Messerschmidt,**
Who gives you sandwiches without or with.

Gloria Swanson keeps the place clean,
While **Staiger** does dishes all by machine.
They seem to be such a happy four,
That I hate to leave and go out the door.

I wander around from place to place,
And try to find a familiar face.
Who is that looking right at me?
Why it's **Betty Boyer** and **Janet Heiby!**

The next thing I see is a skating rink,
With **Gingery** and **Holland** inside there, (I think)
The music I hear is by **Evelyn Casey,**
Who's "out of this world" just like Count Basie.

Marion Pettit owns a store of drugs,
And sodas are sold in five gallon mugs.
Aller stops there before he goes,
Over to Galion in the winter snows.

It seems to me I haven't mentioned,
That all this traffic calls my attention
To a car that seems to be taking its time,
Cause **Hamlin** is sure it can stop on a dime.

Maurice Pettit is the best dressed man
Of the Kroger Store Co., I understand,
Because he buys all of his clothes
From **Grose's** shop for boys, I suppose.

What's this I hear coming down the street!!
Is that "Drummer" **Hyder** who's off the beat?
And there comes **Hines** not far behind,
The only bass player you're able to find.

Anslow is marching in the parade,
Her baritone solo has just been played,
She's flashing that smile to all the crowd,
They're waving and shouting and whistling quite loud.

Garvin of course, is leading the band,
And all girls are swooning up in the stand.
It is the night of the important game,
When Bucyrus will win her rightful fame.

It's about to begin ,the team's all ready,
Rolcy is waving to a guy named Eddie.
Brinkman is leading now with a cheer.
Jack Rehm just sits there drinking his——coke.

The game has started—up goes our score.
Hubble was sent in to raise it some more.
Rowland, the coach, is doing his part
To give these boys a professional start.

SENIOR CLASS PROPHECY

Suddently I am bothered by
A little man who is very shy.
McDougle didn't even say
That it had been a very nice day.

At the half we are entertained
By a horse with a flowing tail and mane.
Evers is proud of her pet, they say,
'Caus it eats ice cream instead of hay.

The game goes on to the second half,
Kline, selling peanuts makes me laugh.
Gabriel made another touchdown,
A better man will never be found.

Maybe you can't see how the get
All that vitality, vigor and pep.
But **Albie**, our Einstein man of wonder
Invented a pill to make you younger.

After the game, to school for the dance,
And meet more friends if I have the chance.
It's rumored around in a voice quite hearty,
We'll go to **Bittikofer's** for a big party.

Campbell is there still five feet six,
Borrowing money for a bottle of mix.
With **Travis's** dollar off they go—
Around the corner to the burlesque show.

The orchestra starts with music that's sweet.
It's "Beaky" **Graham** in the solo seat.
Mead is the vocalist and she's O. K.
When she sings the "blues" we all swing and sway.

This dance is in honor of us all,
And of the memories we'll recall,
Inscho is queen of the night,
And with us she's still "all right."

I'll walk around the halls and see
All the teachers known to me,
There is a list of names of each,
And of the subjects that they teach.

The faculty of our school has changed.
Bowers teaching English isn't so strange.
Principal **Yaussy's** as stern as ever,
She's afraid the kids are getting too clever.

The Latin teacher is **Margaret Moes,**
She keeps all Freshmen on their toes.
Eickel is teacher of Spanish today,
But all she knows is "Como dice—"

The dance is over—that's all for now,
To **Kennedy's** restaurant to get some chow.
We especially like his long French fries.
But **Schnabel** goes there to eat the pies.

The place is packed, we're all squeezed in.
Chuck Ulmer the waiter just can't begin
To take all the orders of the crowd,
With the juke box playing songs so loud.

Up from a booth comes gossip quite clear,
I just can't help but to overhear
How happy **Young** is on her grand new farm.
The tractor purrs when she turns on her charm.

Stetzer's in Upper with good old Gus,
At least it's the latest that she's told us.
The **Keplinger** twins look alike more and more,
But one spends her time around Sycamore.

Who paved the road at old White Pines
And put up all those parking signs?
A fellow named **Jim Huggins** did
'Cause he is known as the "revervoir kid."

SENIOR CLASS PROPHECY

Zaebst is behind the counter at Sach's.
Bill Light is modeling baseball bats,
Volk is running a ten-cent store.
Albright is bragging of a bowling score.

Trautman's got chickens, (the kind that crow)
McKeehen and **Weaver** own a picture show,
The farmers that come there Saturday night,
Think that the place is lit up too bright.

Kincade and **Rowles** have their own bus line,
You go to North Robinson for only a dime.
Diederich has a shiney new car—
He must not have driven it very far.

David Glick and his rubber boats,
Have sailed to all the rocky coasts.
James Harris is the first mate,
When they sail to Galion for a date.

Anna Smith is a scientist with grace,
But something she made blew up the place.
She was sent to the hospital right away
To see what the doctors would have to say.

Seiple is surgeon of your brain.
It's said her patients never complain.
She holds the knife just the way,
That Grandpa eats his peas each day.

Marjory Schemel heads Red Cross,
But **Betty Williams** is the boss.
They are really a capable two
To find just what is ailing you.

Marguerite Armstrong has photographs,
Of movie stars—the present and past.
Eddie, Patton and **Dorothy Cress,**
Are working for the New York Press.

I leave the restaurant and out on the street,
To get the "yellow journal" sheet.
I leaf through it and look again,
'Cause I'm sure to find another friend.

It says here **McFarland** and **Lethem**
Together in their cars have come.
But everything now is quite O. K.
'Cause only **Grimm** was in the way.

Three cheers for **Willy Moes,,**
And for all the stuff he knows.
He's been in college 20 years,
He's got more brain above the ears.

The advertisements that I read,
Are very nice to see—Indeed!!
Willie's hair sells Drene shampoo.
Reimsnyder's make-up is Chen-Yu.

What is that racing across the grass
It looks like some lad chasing a lass.
Peaty will have to run faster than that,
'Cause **Santo** is holding a big brick bat.

Under a street light on a soap box,
Carle is standing in bright colored socks.
He's selling his product only by bulk,
You got colored water along with his talk.

Well it's getting late; I'll be on my way,
I've told you all I have to say,
Just save this book and then you'll see,
That in 25 years you'll agree with me.

CYNTHIA LUTZ.

JUNIOR CLASS HISTORY

Recalling the past we see ourselves going into the auditorium, where we were told what to do. How proud we felt that first day of Junior High School. There was only one shadow on the day to make it less than perfect .... the Seniors paid no attention to us.

As the year progressed we elected class officers: James Miller, president; Gwen Rife, vice president; Grace Shiffer, secretary-treasurer. Mr. Eldon Armbrust served as our advisor.

We made money by selling magazines during the year.

No officers were elected during the next year when we were in the eighth grade, but the Blue Triangle Theater PParty is still remembered as the chief event of the year.

At last we were Freshmen. Now we were "something" or so we thought. Again, we elected no class officers and again the Blue Triangle Dinner Party and ball game marked the year's high for us.

When at last we became Sophomores, we elected Charles Eicher, president; Eugene Cress, vice-president; Mary Carver, secretary-treasurer. Mr. Charles Tschanen was elected advisor. The big event in the year was, of course, the Sophomore Prom, which many members of the class can recall with pleasure.

Having arrived at our Junior year, (1945-1946), Charles Eicher was re-elected class president. Madonna Haala became vice-president, and Robert Criblez was elected to the thankless job of keeping the records and collecting the money. The class ran the concession stand at all B. H. S. athletic events.

The high water mark of our school life, so far, was the Junior-Senior Reception, May 3, 1946. Committee chairmen were:

Program, Charles Garverick. Decoration, Regis Nelman. Menu, Suzanne Rorick. Dining Room, Nancy Ashbaugh. Ticket, Edward Berry.

The best is yet to be . . . next year we will have arrived. We hope to be Seniors.

ROBERT CRIBLEZ, Secretary-Treasurer.

VIVIAN ROLEY

ANNUAL STAFF

The school year 1945-1946 makes the thirty-sixth publication of the BUCYRIAN yearbook.

This year the staff of fifteen members, under the faculty supervision of Mr. Havron, present the best book that time and money have enabled us to put together. We have worked very hard on the 1946 BUCYRIAN, and we believe it will compare favorably with some of the outstanding annuals previously published by our school.

The Alumni section, a feature not included since the 1931 issue, should be of interest to all former B. H. S. students.

GIRL RESERVES

The Girl Reserves of 1945-1946 led by Margaret Moes, president, and their capable advisor, Miss Thompson, spent a worth-while year. During the summer, Margaret had spent time at the G. R. Camp where she learned many ideas which were introduced into the organization. The club plans to send another girl to camp this summer.

At the first meeting of the year, an impressive candle light service was held for the initiation of the new members. Besides sponsoring the chapel services, the organization recogngized Girl Reserve Week by an attractive display of posters in the halls, and under the able supervision of Patsy Grose and her corps of workers, the G. R. restroom was kept attractive and convenient for use dur ng the school day. Plans were made during the year for arranging a point system to earn rings or pins. The highlights of the year were the chili supper held in December and the annual banquet on March 15.

GIRLS' ATHLETIC ASSOCIATION

The G. A. A., with a membership of seventy-five girls, enjoyed its thirteenth year of activity. Our advisor, Miss Meck; president, Vera Mead; vice president, Evelyn McPeak; secretary, Helen Marggraf; treasurer, Mary Carver; recording secretary, Barbara Kruse; and intramural manager, Marilou Inscho were the leaders for this year.

It is through this organization that the girls of B. H. S. have an opportunity to participate in a large variety of sports and encourage sportsmanship in athletic and social activities. This year there have been such interclass activities as basketball, volleyball, ping pong, softball, archery, and bicycle hikes. A girl taking part in these activties earns points, whereby she is entitled to a numeral or a school letter.

The Golddiggers' Prom, held on April 26, was the outstanding social event of the year, but we also sponsored a dance.

In glancing back at this completed program it is no wonder that the Girls' Athletic Association is sad to say good bye to another successful year.

HELEN MARGGRAF.

SPANISH CLUB

The Spanish Club had 61 members this year and two meetings were held every month. The officers were: president, Joyce Bittikofer; vice president, John Travis; secretary-treasurer, Eugene Cress; reporter, James Gallant. Our capable advisor was Miss Phyllis Monroe.

Although there were no meetings the second semester there was a party for the club at the end of the school year.

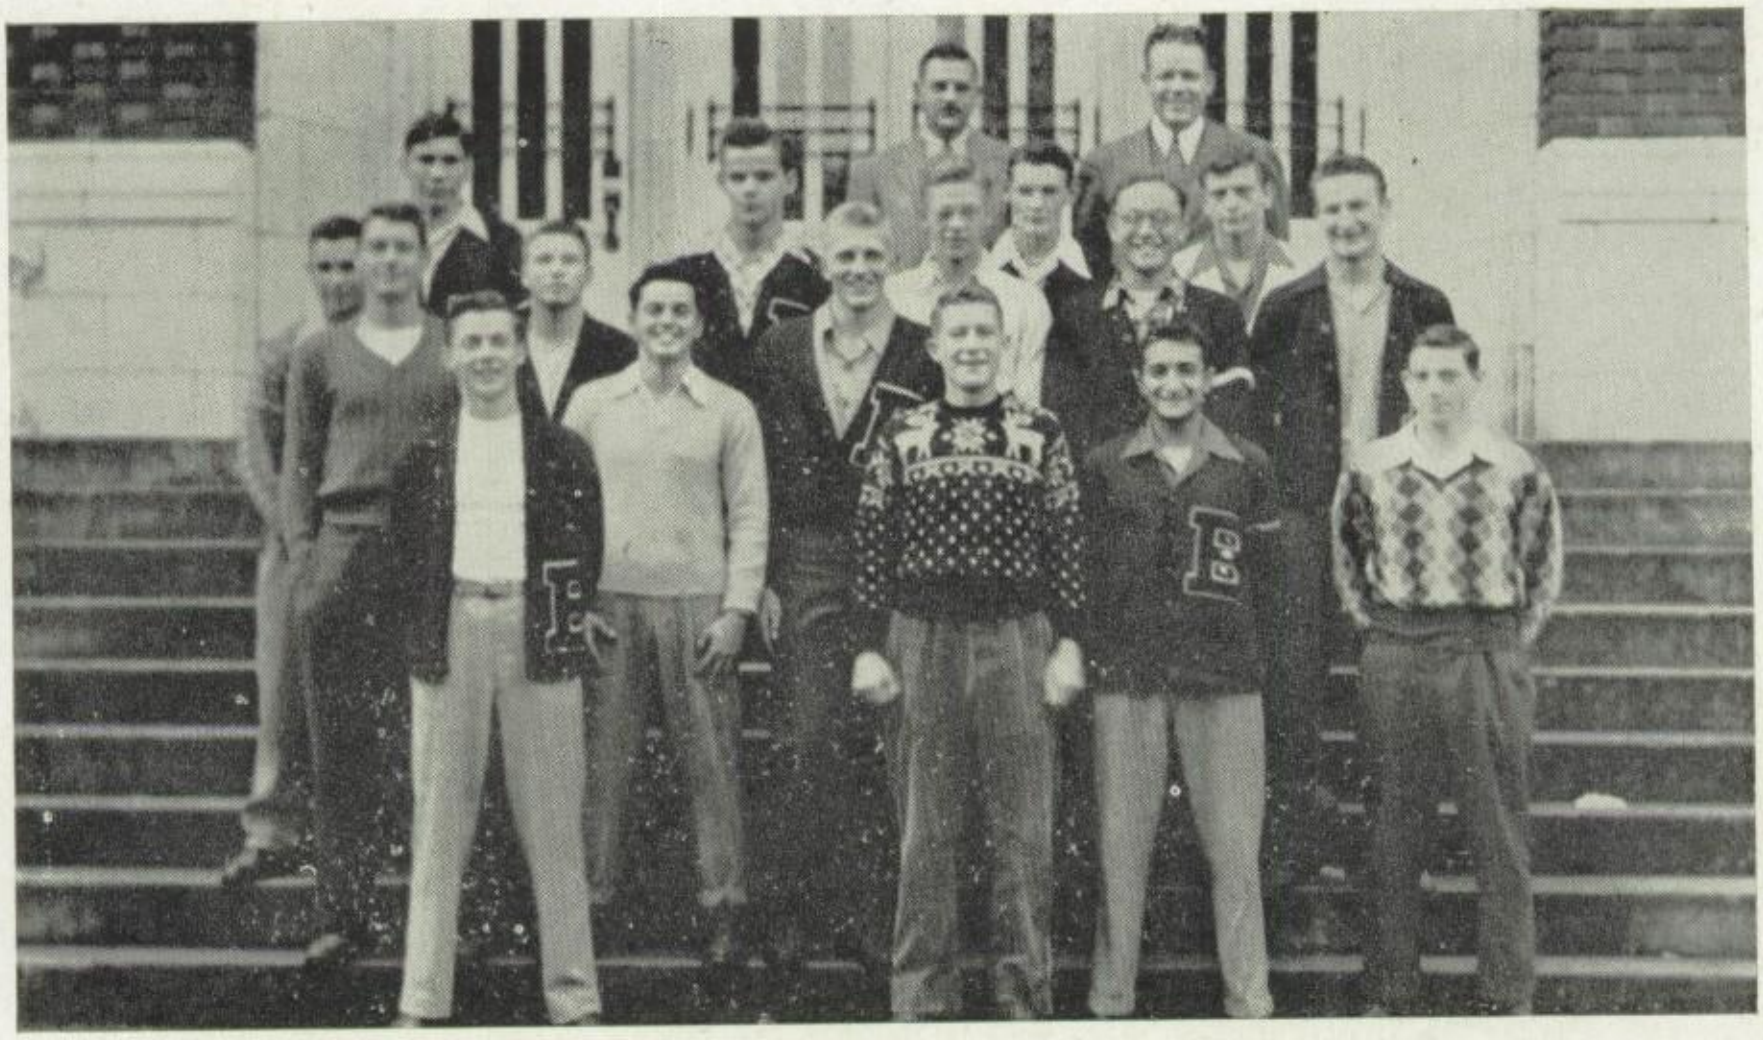
STAGE CREW

In the fall of 1945 the Stage Crew started its club again with William Moes, president; James Grimm, vice president and Betty Williams, secretary-treasurer.

During the year a new constitution was written and adopted and many new operators successfully filled their positions.

All in all a very successful year was had with the capable aid of Miss Kathryn Meck and Mr. Mertz, our advisors.

VARSITY 'B' CLUB



The Varsity "B" Club is perhaps one of the smaller and least known organizations in B. H. S. However, it has a very good purpose—that of promoting interest in the school sports.

The club, at the end of the year had approximately 30 members—boys who have earned a letter in one of the school sports.

The officers for the year were: president, Albert Ensminger; vice president, Regis Neuman; secretary, Charles Eicher and treasurer, Roy Garvin; Coach Jack Palmer acted as the club's sponsor and advisor.

COLLEGE CLUB

Front Row: Betty Weaver, Vivian Seiple, Vera Mead, president; Joyce Reimsnyder, Dorothy Yaussy, Virginia Bowers, Marjorie Schemel, and Margaret Moes.

Center Row: John Travis, Ralph Hubble, James Huggins, Joyce Bittikofer, Cynthia Lutz, vice president; Betty Williams, Clair Geiger, and David Glick, secretary-treasurer.

Top Row: Mr. Havron, advisor; Roy Garvin, James Trautman, Albert Ensminger, William Moes, and Rolland Campbell.

Club members not in the picture: Dorothy Cress, Marion Pettit, and Anna May Smith.

The first College Club was organized at B. H. S. on January 22, 1945 with twenty-three charter members, eighteen of whom are pictured in the 1945 Bucyrian (Page 58). The present whereabouts of the first Club can be found by consulting the Alumni section of this book.

Membership is limited to Seniors taking the College Preparatory course or its equivalent. The original and continuing purpose of the club is to help Seniors to choose a college and to prepare them for admission.

The Club has no fixed time of meeting. Its program, thus far, consists of securing representatives from Ohio colleges who address the club, from time to time, to present to our membership the advantages of the schools they represent.

A library of college catalogs is being built up, with the hope that in time we may offer our membership reference to every catalog of every accredited school of highr learning in the United tSates.

—David Glick, Secretary-Treasurer.

BOOSTER CLUB

The Booster Club of 1945-1946 was composed of 17 girls. They are—Seniors: Margaret Moes, Betty Williams, Vivian Seiple, Vera Mead, Evelyn Brinkman, Evelyn Casey, Patsy Grose, Betty Weaver and Donna Willie; Juniors: Betty Kent, Helen Margraff, Madonna Haala, Grace Keckstein, Grace Shiffer, Mary Arnold, Marjorie Yaussy and Barbara Kruse.

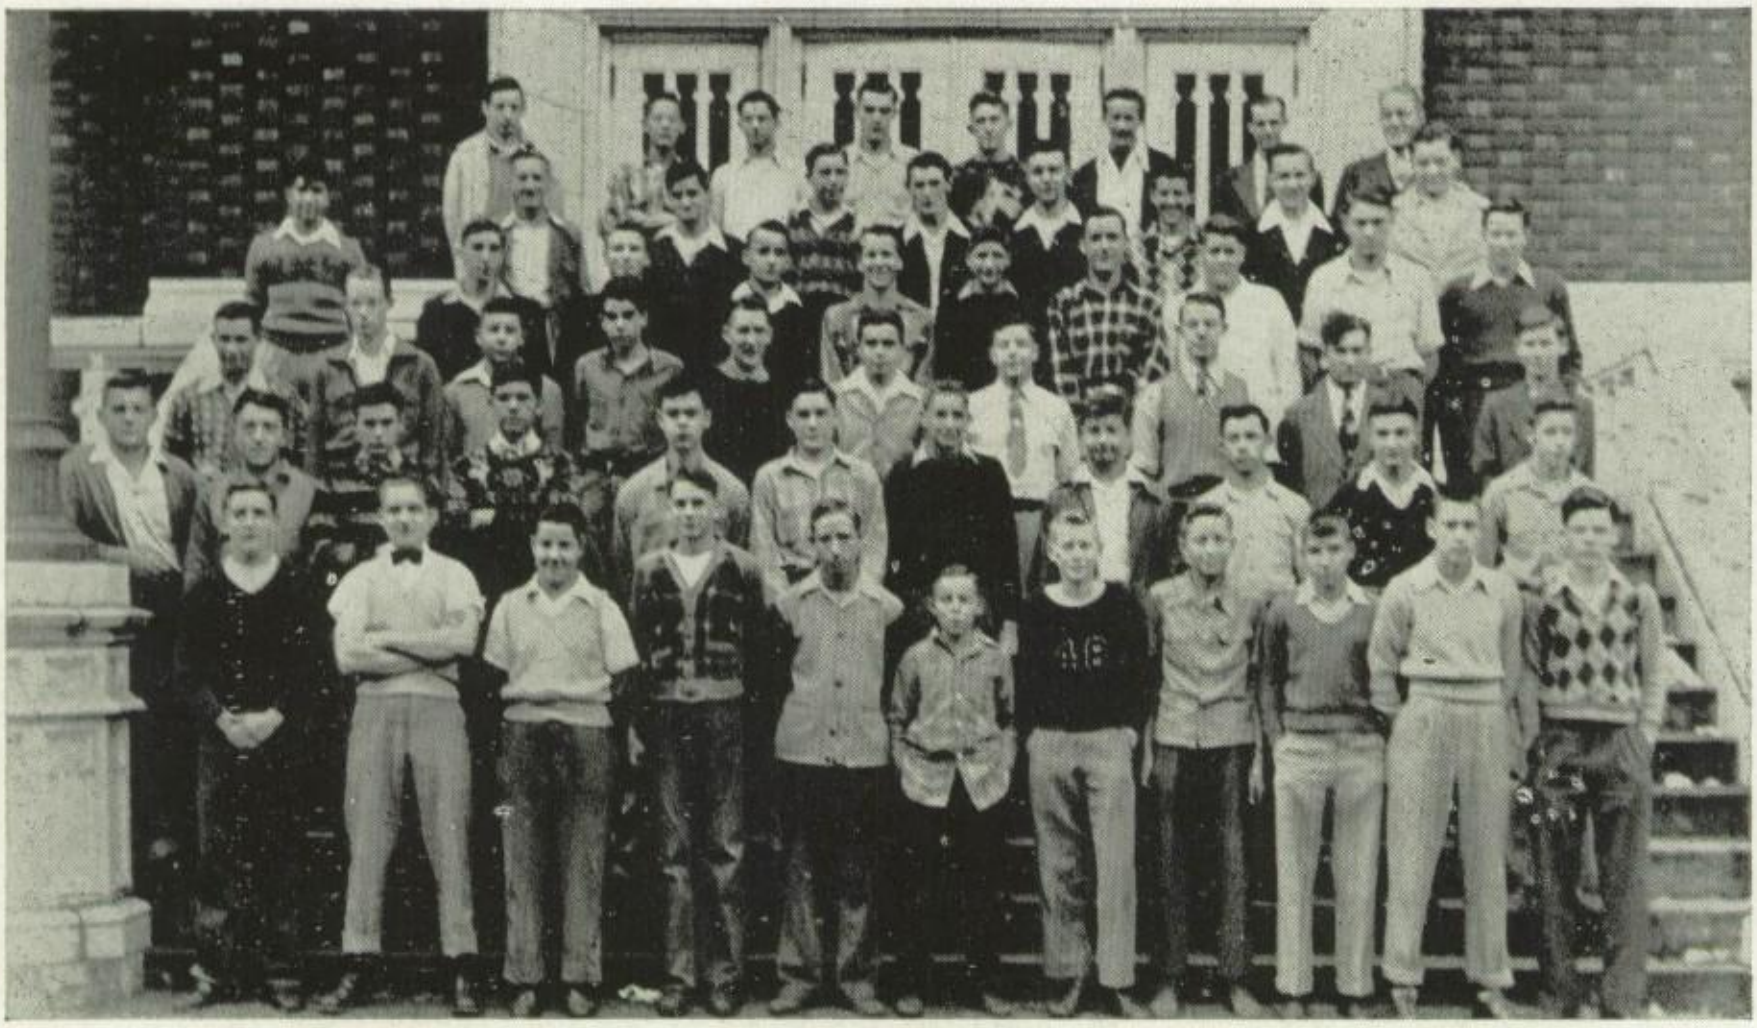
During the football season the girls decorated the goal posts for all home games. In November the girls had charge of the Homecoming Ceremonies and dance. Following the custom of previous years, the Boosters decorated for Baccalaureate and Commencement exercises. The annual formal dance was held in May.

These activities were made possible under the very able direction of our president, Margaret Moes. The minutes and the money were taken care of by Donna Willie. We cannot forget our very helpful and pleasant advisor, Miss Kenny, whom we hope will be as swell to the new girls as she has been to us.

The Seniors wish the new girls a prosperous year and a great many good times.

DONNA WILLIE, Secretary-Treasurer

VOCATIONAL CLUB



The Vocational Club was organized in 1940, under the supervision of Mr. F. E. Stewart. We have accomplished a great many things, such as making parts for the Riddell Corp., and the Buckeye Kettle Works. Mr. Stewart, Mr. Myers, Mr. Dobbins, and Mr. Havron are the teachers of the vocational students and they deserve very much credit. We have had three parties this year. Most of our meetings are social gatherings preceded by a feed. There are 63 members in our club this year, 16 Seniors, 20 Juniors, 27 Sophomores. The officers are: president, John Gabriel; vice president, James Kemery; secretary and treasurer, Thomas Boyle. The advisor is Mr. Stewart.

Thomas Boyle, Secretary-Treasurer.

LEADER'S CLUB

The members of the Leader's Club this year are Evelyn McPeak, Marilou Inscho, Margaret Moes, Doneta Young, Joyce Bittikofer, Vera Mead, Barbara Kruse, Helen Margraff, Mary Carver, Mary Arnold, Marjorie Yaussy and Catherine Garey.

The Leader's Club, under the supervision of Miss Mae Beck completed another successful year. The big event was the Army-Navy game sponsored by Leader's Club. Throughout the year the girls helped Miss Beck with Intra-Mural games after school.

—Vera Mead.

F. H. A.

The F. H. A. Club has held monthly meetings the third Monday of each month. The main events of the year were the hayride held in the fall and the carnival held in the spring. The Club has seventy-seven members. The officers are:

Evelyn Veil, president; Catherine Augustine, vice president; Marge Heinlen, treasurer; Polly McFarland, secretary; Patricia Rein, reporter; Joyce Orewiler, parliamentarian; Miss McMillan, advisor.

POLLY McFARLAND.

BUCYRIAN STAFF

Many new features and columns made the BUCYRIAN very interesting this year. The paper was printed bi-weekly during the year and fourteen issues were published.

As the paper was once more printed, pictures also appeared in the BUCYRIAN.

The English department was the sponsor. Advisors were Miss Ella Meck, Miss Renkert, Mrs. Willaman, Mr. Dobbins, and Mr. Weber.

Although the printer was located in New Washington, it later proved to be an advantage rather than a disadvantage, because of the great help which he gave us.

INTERMEDIATE HI-Y

The Intermediate Hi-Y had an eventful year under the leadership of George Wyer, president; Harold Stinehelfer, vice president; Wayne Adams, secretary; Robert Schwemley, treasurer; and William H. Helmbolt, advisor.

The first social event on the agenda was a hayride in the fall for the members and their guests. There was also a Christmas party. At this time the club presented the retiring president, George Wyer, the gift of a fountain pen.

In January the choir appeared for the first time, wearing beautiful maroon robes, the gift of the W. J. Michael Association. The white satin stoles were presented by the class of 1945.

GAME SUMMARIES

BUCYRUS, 6—TIFFIN COLUMBIAN, 34

The lack of experience cost the fighting Redmen heavily as they met misfortune at the hands of the Tiffin boys. The Redmen, unable to stop Tiffin's strong offense, yielded 21 points in the first half. The Red and White, experiencing first game jitters, failed to gain much yardage in the first three quarters. However, Tiffin, scoring once in the third and early in the fourth, was suddenly stopped cold in the fourth quarter by a roused Bucyrus eleven. With renewed spirit the Redmen through a sustained drive brought the ball to the 1 foot line where Jerry Gabriel crashed over for their only touchdown. As the game ended the slashing Redmen were again knocking at Tiffin's goal line. Although the game was lost the Redmen, showing much improvement in the fourth quarter, looked forward to a promising season.

BUCYRUS, 7—UPPER SANDUSKY, 60

The fighting Redmen went into their second game of the season with very high spirits and high hopes of victory. As the game progress the Upper team, whose dazzling speed, power and passing attack had the Redmen completely outmatched. The lone Bucyrus score came when with the score reading 21-0 against them the Redmen's spirit rose and they fought their way down the field a yard at a time in a steady, determined drive climaxed by a short pass from Miller to Kober in the end zone for the score. John Gabriel's conversion attempt was successful and the Redmen trailed 21-7. However when the Red and White kicked off to the Rams, on the second play from scrimmage a long pass netted Upper their fourth touchdown of the evening as the half ended 28-7 in favor of Upper. In the second half the Redmen seemed helpless as Upper piled up 32 points to make the scoreboard read 60-7 as a sad and dejected Bucyrus team trudged to their locker room.

BUCYRUS, 12—BELLEVUE, 26

The Bucyrus Redmen came back after their devastating defeat of the week before with a real fighting spirit to give a large and reportedly strong Bellevue eleven one of its toughest games of the year. Every man on the Bucyrus team showed improvement both offensively and defensively, and the spirit of the team rose to a new high ebb. Bellevue started the scoring in a big way when on their second running play they went 66 yards to score. The conversion was good and Bellevue led 7-0. However the Bucyrus team took the kick off and rolled right down the field with Jerry Gabriel going over from the five. The conversion failed and Bucyrus trailed 6-7. In the second quarter Bellevue worked their way down the field to score on a line buck. The conversion was successful putting Bellevue ahead 14-6. Toward the end of the half the Redmen took to the air and Miller threw a long pass to Hertzer who raced over making the score 14-12. The attempted conversion was no good. Bellevue drove to the Bucyrus three making a first down but a hard tackling team held them for four downs and the half ended. In the second half Bellevue held the scoring spotlight as they scored once in the third and once in the fourth quarter both conversion attempts failing. Late in the fourth quarter Bucyrus drove deep into Bellevue territory but were halted by a pouring rain in the last minutes of the game and though they played a very much improved game, they went down in defeat 26-12.

BUCYRUS, 6—WILLARD, 0

Emerging from a tight battle the week before, the Red and White were determined to mark up a victory. The game was mostly give and take during the first three quarters with neither team making any important drives, with the Redmen holding a slight edge. However in the fourth quarter the fighting Redmen decided it was time to strike; so taking the ball on their own 32, they set up a sustained march through vicious teamwork that carried them to the two-yard stripe but were halted. After this drive the ball was constantly deep in Willard territory. With 20 seconds left in the game Johnny Gabriel, right guard, snared a Willard pass and dashed 18 yards for the only touchdown of the game. The conversion was unsuccessful, and the game ended shortly with the Redmen enjoying their first victory, 6-0.

BUCYRUS, 0—NORWALK, 21

After winning from Willard and with their Dads giving out with encouragement, the fighting Redmen took to the field Dad's Nite with renewed spirit. The Norwalk team considerably outweighed the Bucyrus Redmen and proved to be a tough defensive barrier to the Red and White.

Getting off to a good start Ott of Norwalk intercepted a lateral thrown by Jerry Gabriel and ran for the first touchdown of the game. The conversion was good and the score read 7-0 in favor of Norwalk. Norwalk scored shortly after on a pass making the score 14-0.

Then the Red and White took the ball on their 29 and drove to the Norwalk 44 where a 15-yard penalty advanced the ball further. While the Miller-Hubble pass combination clicked, Kober and Boyle handled the running. The fighting Reds fought to the one-foot line where Sweet of Norwalk intercepted a pass and ran one hundred yards for a touchdown which was called back due to a penalty.

The rest of the game was well balanced; although the Redmen fought their way deep into Norwalk territory, they were unable to score. In the last quarter Norwalk again scored making the final score read 21-0.

GAME SUMMARIES

BUCYRUS, 6—CRESTLINE, 7

Although this year's Bucyrus team was not a winning team or a team not familiar with defeat it was forced to swallow one of its bitterest pills of the season Friday night at Crestline. They went into the game sure that if they played well they would win but it was a sad team that came off the field knowing they could have won. Lady luck passed the Redmen completely by as early in the first quarter when a short Bucyrus pass was intercepted and run back 32 yards for Crestline's score. The place kick for the extra point was good and the Railroaders led 7-0. In the second quarter neither team could make much progress on the wet gridiron which was gradually being turned into a sea of mud. The Redmen came back in the second half trailing 7-0 and looked more powerful than at any previous time in the year. They drove steadily for a first down after first down and behind beautiful blocking Jerry Gabriel scored from the 26-yard line. The line plunge for the attempted extra point failed and the Redmen still trailed 6-7. Through the remainder of the third and fourth quarter Bucyrus consistently picked up first downs and held Crestline to practically no gains but fumbles cost heavily and the Redmen were unable to hold on to the ball long enough to score. Fate in the fourth quarter the Redmen blocked a punt of the Railroaders deep in Crestline's territory but were unable to pick up the necessary yardage and went down to defeat 7-6.

BUCYRUS, 14—SHELBY, 24

The Bucyrus Redmen bouncing back from their stinging defeat at the hands of Crestline with a grim and determined spirit traveled to Shelby to play their best game of the year. The entire game consisted of hard, rough, aggressive play with a Bucyrus line and backfield which were both heavily outweighed matching everything Shelby had and more. The Redmen scored first when after an exchange of punts Shelby was driven back to their own 24-yard line and Jerry Gabriel stole the ball from a Shelby runner and with almost all the Bucyrus team running interference he raced over to pay dirt. Brother John Gabriel's place kick was good and the Redmen led 7-0. Shelby came back to score in the closing minutes of the first quarter but their conversion attempt failed and Bucyrus still led 7-6. In the early part of the second quarter Shelby managed to score again, failed to convert and led 12-7. In the remainder of the first half Bucyrus was hit very hard by penalties as they rambled on three very long runs but all were nullified by penalties and the game reached its peak of viciousness as Shelby again scored as the half ended and led the Redmen 18-7. In the third quarter both teams fought very hard to gain the upper hand but neither could make any sizeable gains and neither team gained much on the exchange of punts that followed until in the latter part of the fourth quarter Jerry Gabriel again stole the ball from the same Shelby back and tore off on a brilliant 76-yard run breaking through almost the entire Shelby team to score. John Gabriel again converted and Shelby led 18-14. However time ran short on the Redmen as a long pass set Shelby in position to score on an end run and final gun sounded to end the Redmen's hopes of a victory as the scoreboard spelled defeat 24-14.

GALION, 38—BUCYRUS, 0

The Bucyrus Redmen, after a hard played game the week before, came out on the field to meet their traditional foe, Galion, in the annual Homecoming game. Marilou Inscho was chosen Homecoming Queen and was attended by Vivian Roley and Vera Mead; however, Miss Inscho was unable to attend because of illness. More than 2,000 loyal fans looked on in despair as the Red and White, failing to click, went down in defeat, 38-0. The Redmen got off on the wrong foot as Galion drove to two touchdowns in the first quarter, two in the second, and one more in each of the last two quarters.

BUCYRUS, 0—DELAWARE, 34

Eight seniors finished their gridiron career for Bucyrus High Friday night as the Red and White journeyed south and met defeat at the hands of a powerful offensive Delaware team. Although the Redmen's offensive seemed to click fairly well, they were unable to stop the ground gains of Delaware. Delaware scored midway in the first period and again in the first part of the second period, going into the lead 13-0. The Redmen threatened to score in the latter part of the second period, when, after a long pass from Miller to Hubble, they fought their way viciously to the 7-yard line, but were halted and were unable to score as the half ended. In the second half the Bucyrus running game was fairly good, but again they were unable to hold the boys from Delaware as they scored twice in the third quarter and once again in the fourth. And so the gun sounded giving Delaware a 34-0 victory and drawing the curtain on the 1945 season. The season in terms of wins and losses was very unsuccessful for Bucyrus. But viewing the improvement shown throughout the season, hopes are high for the next year.

SUMMARIES OF GAMES

BUCYRUS 18—TIFFIN 32

The Bucyrus Redmen started the season with their traditional opener against Tiffin Columbian. The game started slow and at the end of the third quarter the score was 18 to 14 in favor of Tiffin. The game ended with the Columbians leading 32 to 18. Needles was high scorer with 5 points to his credit.

BUCYRUS 30—UPPER SANDUSKY 36

The Bucyrus Redmen came onto the floor and let the Upper Rams have everything they had in the first quarter to go into the lead 13 to 5. However, the Rams were not to be outdone and fought back to an 18-16 score at half-time. The second half was close and tight as the Rams gradually pulled ahead to take the game by the score of 36 to 30.

BUCYRUS 32—MARION HARDING 43

The Redmen, getting off to a bad start, were unable to stop the Presidents as they racked up a total of 10 points to but one Bucyrus point in the first quarter. Fouls were very costly to the Redmen—13 of Marion's markers being scored on free throws. The second half was nip and tuck with the Redmen scoring 20 points to the President's 22. The game came to a close with Marion leading to the score of 43 to 31. Hubble was high scorer with 10 counters while Ensminger had 8 points.

BUCYRUS 36—BELLEVUE 52

Once again the Redmen tasted the bitterness of defeat as the Bellevue Redmen surged ahead in the first quartr 11-1. Things went badly as the men from Bellevue doubled the score in the third quarter 42-21. The game came to a disastrous close as the score board read 52 to 36 in favor of the Bellevue Redmen. Hubble again was high scorer with 9 points while Ensminger trailed with 8.

SUMMARIES OF GAMES

BUCYRUS 32—FOSTORIA 43

The Redmen hit the warpath to Fostoria but came home with their feathers dragging. The first quarter was tight and well fought as it ended with the Fostorians leading 13 to 12. However, the Redmen's opponents soon pulled ahead and the game ended with the Redmen trailing to the tune of 43-32. Hubble again was high with 8 counters closely followed by Ensminger with 7.

BUCYRUS 23—GALION 43

The Redmen met their traditional foe, Galion, on the local floor and were trampled into the mud. The half time score read 17-12 in favor of the Tigers. The Galion Tigers scored 15 points in the last quarter to send the Redmen to lower depths by a score of 43-23. Gallant led the Redmen with 8 points.

BUCYRUS 33—SHELBY 42

Again the Red and White hung up a loss as they seemed unable to get a foothold. The Redmen, showing great possibilities, led at the end of the first quarter 10-9, but soon bit the dirt as the Whippets shot up their end of the score to 29-17 as the third quarter sounded. The game ended with the Redmen trailing by 20 points. Hubble led with 8 marks while Ensminger netted 6.

BUCYRUS 42—CRESTLINE 30

Bucyrus won!! The Fighting Redmen got off to a discouraging start in the first half and were trailing to the tune of 15-11. However, during the halftime, the smoke rose from the Redmen's tepee and a new and determined team came out and ran up the score to 31-23 at the end of the third quarter. The fans went wild as Bucyrus further boosted the score as the game ended with the Railroaders trailing 42-30. Miller led the scorers with 13 markers but was closely followed by Cress and Gallant with 11 markers each. O HAPPY NITE!!

BUCYRUS 17—NORWALK 61

The Bucyrus Redmen just simply were no match for the powerful Maple Leafs. The first quarter ended 19-3 while the second quarter ended 32-6. The game ended with the score reading 61 to 17 in favor of the Norwalk team.

BUCYRUS 30—WILLARD 25

Recovering from their devastating defeat the week before the Redmen came back to win over the Crimson Flashes of Willard. The Bucyrus boys played with all their hearts and the first half ended with the fighting Redmen leading 20-15. Aided greatly by scoring of Hubble, 15 points, the Redmen were able to continually boost the score until the buzzer sounded and the game ended 30-25. This was the second win for the Redmen.

BUCYRUS 45—KENTON 57

The local hardwood again sounded as the Redmen pitted their strength against that of their foes, the Kentonites. While the Redmen trailed at the end of the first half 33-26 they narrowed the margin in the third quarter to but 6 points. Hubble played an exceptionally good offensive game by racking up 26 points. The Red and White lost by 12 points.

BUCYRUS 26—UPPER SANDUSKY 44

The news was bad again. Hoping to avenge their earlier defeat the Redmen met a slightly stronger team than was expected. Trailing at the end of the half 26-9, the Red and White were unable to stop Upper's compination—Wolfe and Schnelker. Hubble was again the top scorer for the Redmen with a total of 13 markers to his credit.

BUCYRUS 28—SHELBY 46

Things looked darker and darker in the Redmen's tepee. The smoke rose slower and slower. Shelby took the lead immediately and held it throughout the game. The Red and White trailed 22-10 at the half time and continued to lose ground for the remainder of the game. Cress was high point man with 9 points to his credit.

BUCYRUS 29—DELAWARE 30

The Redmen fought a good battle but were unable to make that extra point. Foul shots, of which we had 14 and made but 3, cost the boys plenty. The Willis team made 14 out of a possible 18 foul shots. The fighting Redmen, though trailing at half time 13-11, held the lead at the end of the third quarter by one point but the Delaware team did them 2 better to take the game 30-29.

BUCYRUS 26—GALION 40

The Redmen took to the trail to do battle with the Galion Tigers. It was a rough and tough contest in which fouls played a large part. First quarter was very close with the score reading 4-3 in favor of the Tigers. As the game advanced the Galion players gradually widened the margin until the third quarter score read 26-20. In a last quarter splurge the Tigers ran up the score to 40-26. Ralph Hubble claimed 12 markers to his credit as the high scorer.

BUCYRUS 30—PORT CLINTON 50

The Red and White took the floor with fire in their souls and zing in their playing. Leading a much taller Clinton five the Redmen led in the first quarter 10-9 and 19-18 at half time. However the second half did not go so well as the opponents took the lead to pile up a score of 50-30. Kemery was high point man with 10 credits.

BUCYRUS 25—MARION HARDING 51

The Red and White journeyed to Marion in hopes of avenging their earlier defeat. However, things went bad and the Presidents stacked up 29 points compared with ten for the Redmen in the first half. The game ended with Marion in the lead 51-25. Cress was the high scorer with 10 points and Gallant followed with 8 points.

BUCYRUS 38—CRESTLINE 35

THE LAST GAME OF THE SEASON AND OUR LAST VICTORY!! The Fighting Reds took over the ball immediately and led throughout the remainder of the game. During each of the first three quarters, the Red and White outscored the Railroaders by three points. However the Crestline team made a serious threat in the last quarter when they outscored the Redmen by 5 points. High point man was Hubble with 16 points.

TOURNAMENT GAME—BUCYRUS 36—LIMA CENTRAL 42

In an exciting overtime game Bucyrus lost to Lima Central in the tournament at Kenton. The Fighting Reds were well on the way to victory when the half ended 22-18 in their favor. But the third quarter spelled disaster as Lima scored 16 points to Bucyrus' 3. However, the never-die Redmen came back to tie the game up at 35-35 as the fourth quarter ended. In the overtime Lima scored seven points to win the game 42-36. Miller was high scorer with 11 markers.

TRACK

Although the track team last year was one of the smallest in years, the team had a fairly successful season. The team, which was coached by Joe Riccardi, was composed of approximately 20 members.

Only one man, Wayne Jones, graduated, leaving the school with practically the same team for this year.

The Redmen opened the season with a dual meet with Tiffin Columbian. Although Tiffin had many more men entered in each event, the locals nevertheless came home with their first victory, the score being 63-55.

In the second meet of the year, a dual with Galion, the B. H. S. tracksters again emerged victorious with a ten point lead over the opponents. Although the score was tied up to the last event, the mile relay, the Redmen won that event and also the meet, the final score being 64-54.

The third meet of the year was a different story for Bucyrus, however. In a tri-meet at Kenton, the Redmen were third by a large margin. Kenton took first with 67 points, Bellefontaine, second with 60, and B. H. S. last with 21 points.

Ashland's invitational meet with six schools entered was the last meet of the regular season before the district meet at Mansfield. Bucyrus scored 24½ points to take fourth place, outscoring Norwalk and Galion. Port Clinton took first, with Painesville and Ashland taking second and third respectively.

The district meet at Mansfield was the last event of the track season.

ROY GARVIN.

JUNIOR HI SPORTS

This year the Junior High athletic program advanced more than ever before in the school's history. A regular program was set up, equipment was furnished, and the boys from the seventh to the ninth grades were trained and sent into competition with Junior high teams of the surrounding towns. Coach Charles Tschanen handled the football team until the return of Coach Alex Kish from the navy, after which Coach Tschanen was made assistant Varsity coach and Coach Kish handled the team through the rest of the season and then coached the Junior high basketball team through their season.

The Junior high football team played a number of inter-squad games and two games with Shelby. Although they lost both of their games to Shelby, they showed tremendous improvement by the time of their last game in which they were defeated 13-7 in a well-played, aggressive game.

The Junior high basketball team played 12 games with the neighboring towns of Galion, Shelby, Crestline, Mansfield, Upper Sandusky, and Mt. Gilead. They won three of these 12 games defeating Shelby, Upper Sandusky and Mt. Gilead. The basketball team also showed great improvement through the season winning two of their last three games. It is hoped by all that this expansion of a Junior High athletic program will continue so as to better prepare boys for varsity competition.

SPORTS

The athletic activities at Bucyrus High School this year were marked mainly by expansion and improvement. In the sports section we have given you comments of players and coaches, together with impressions which the year's activities have left upon them. We sincerely believe that when a year makes such a favorable and beneficial impression as the present one it can never be called unsuccessful. The main desire in the minds of those who leave high school athletics this year is that B. H. S. athletic activities will have a victorious future.

The coaching staff consisted of four coaches: Palmer, Tschanen, Kish, and Wasylik. Mr. Jack Palmer came to Bucyrus this year to take over the job of building successful athletic teams. He came to our school with 14 years of coaching experience. He had just completed three years as head coach at Urbana where he had great success turning out championship teams in both football and basketball. This year at Bucyrus he acted as head coach for football, basketball, and track. Coach Palmer's comment on sports in general at B. H. S. in 1945-46 was:

"Despite the scores of the game, which, of course, indicate in no way the progress of the boys in basic fundamental development, it is quite pleasing to see individuals gain in stature by showing improvement from week to week. It is my hope that this basic foundation that they have received will have a beneficial effect on their spirit and action for the team's success in 1946-47. I thoroughly enjoyed working with the boys and my interest was concerned with their welfare."

This year Mr. Charles Tschanen served his fifth year at B. H. S. This year he handled the Junior high football team until the return of Coach Kish; he then served as assistant Varsity football coach and during the basketball season handled the reserve basketball squad. He had previously served as head coach of basketball and track for two years. As Junior high football and basketball coach, and as reserve basketball coach. His comment:

"I feel that conditions are improving and if Bucyrus maintains a youth athletic program eventually it will have representative teams."

In the latter part of October Mr. Alex Kish returned to Bucyrus High, after serving three years in the Navy. He was honorably discharged as a Chief Petty Officer after having served as a Company Commander. Most of his service was at Sampson Naval Base. Mr. Kish after his return coached the Junior high football and basketball teams. His comment:

"I believe there is promising material among the Junior high boys which will show up when they reach the Senior high years."

At the beginning of the second semester Mr. Nicholas Wasylik returned to the coaching rangs of B. H. S. Coach Wasylik served in the Navy 26 months and was honorably discharged as a Lieutenant J. G. While in the Navy "Nick" was closely associated with athletics. During his first year in the Navy he played quarterback on the semi-pro Fort Pierce football team. He coached baseball at Fort Pierce and the following year acted as football backfield coach. His comment:

"Bucyrus will have a lot of experienced boys coming back next year and should have good teams."

This spring as the Annual goes to press, the track team is hard at work preparing for six meets plus the N. O. L. meet at Galion, May 14, and the District meet at Mansfield.

The baseball team is also hard at work preparing for six games plus a tournament whcih will open at Bucyrus when we meet Galion.

Some highlights of the year were:

A trip to Columbus to see a college football game, the football team being the guests of the Ohio State University.

A trip to Cleveland to see a pro football game followed by a dinner. The football squad was the guest of Mr. Clayton E. Gerhart.

A trip to Columbus to see a college basketball game followed by a lunch. The basketball team was the guest of Mr. Charles A. Michael.

The annual football banquet with Coach Widloes of Ohio State as the main speaker, the football team being the guests of the Bucyrus Booster Club.

One of the most important highlights of the year was the adoption of plans by the Board of Education for the erection of a field house on the high school athletic field. This building was made possible by a gift from the Ohio Locomotive Crane Co., through the downtown Booster Club. The presentation of this gift was made at the annual football banquet in December, 1944. The plans call for a building 90 by 20 feet and will adequately accommodate 70 players and is expected to be completed by the 1946 football season. By resolution of the Board of Education this building is to be known as the Charles F. Michael Memorial Building in memory of Charles F. Michael ,founder of the Ohio Locomotive Crane Company, a gentleman and a sportsman.

It is thus after a year of great improvement that Bucyrus high school awaits with high hopes and expectancy the coming year of athletics.

ALUMNI

The first BUCYRIAN yearbook of 1908 included an alumni directory; thereafter, the yearbooks for 1912, 1929 and 1931 continued the list of our graduates. This present list is the first attempt since 1931 to present a complete and alphabetical roster of all B. H. S. graduates. Of the 3,400 alumni, some information is at hand except for about 100 persons, whose whereabouts are unknown. Lack of space prevented the inclusion of addresses since 1901. The following key will be helpful in consulting these class lists:

An asterisk (*), in front of a name indicates the graduate is deceased.

A second name following a name in parenthesis is the married name.

A question mark (?) in front of a name suggests the probability that the graduate is deceased.

A maiden name, followed by a dagger (†) indicates that the graduate is married but that her married name is not known to the alumni editor.

B. H. S. casualties in the war are indicated by (W.W.II), following the graduate's name.

It is the alumni editor's hope that this list may serve as a nucleus for a complete directory of names, addresses and biographical notes; such directory to be issued in some future yearbook.

Mistakes are unavoidable; so are omissions: as they are found by readers of this list, please phone the office of the Superintendent of Schools, (5727), and report them.
